

# THE LONG DRIVE FOR GIRLS GOLF

## ABOUT GIRLS GOLF

### OUR GOAL: GET AND KEEP GIRLS IN THE GAME

Through sports, girls learn important life skills such as teamwork, leadership and confidence. The SCGA Junior Golf Foundation believes that we need to level the playing field for girls in golf. To do so, we are empowering female golfers and supporting them not only on the course but in their professional development as well.

## LOCATIONS:

The SCGA Junior Golf Foundation operates five LPGA\*USGA Girls Golf chapters.

- Orange County at Willowick GC
- Riverside at Fairmount GC
- San Fernando Valley at Woodley Lakes GC
- Southeast LA at Don Knabe GC
- Southwest LA at Maggie Hathaway GC

## GIRLS PROGRAMMING:

- More than 1,500 girls participate in SCGA Junior programs annually.
- SCGA Junior hosts monthly Girls Golf outings in each community open to all ages and skill levels.
- The E-leader volunteer opportunity allows girls to serve as role models on the course to beginner golfers while also providing access to meet and network with business professionals.

## DEB LONG

A Southern California native, Deb Long was a lifelong golfer and advocate for women and girls in golf. The Long Drive for Girls Golf was created to honor her legacy by supporting the causes that she was so passionate about, including the endowment of an annual Deb Long Scholar.

## SCHOLARSHIP

The SCGA Junior Scholarship Program is designed to help youth continue their education in college or vocational school. This year, \$215,000 in scholarships will be given out to a class of 45 scholars for tuition, room and board, and educational supplies.
